Raleigh, NC – May 16, 2024 – SoftPro released a new integration with [TitleLogix Solutions, LLC](#) for tax and homeowner association (HOA) certificates. SoftPro Chief Customer Officer Patrick Hempen commented, “We’re excited to launch this new integration with TitleLogix Solutions, which provides our customers another tool for increasing their productivity and data accuracy.”

“TitleLogix Solutions has completed the integration of its TGX platform with SoftPro 360, resulting in improved efficiency, and fewer processing steps required to order, receive and load tax and HOA certificate results into SoftPro 360 for title companies,” stated Max Harris, president and CEO of TitleLogix Solutions. “The improvement in processing efficiency is critical to a title company’s need to reduce production costs.”
